Dear Ms. Glenn,

Congratulations! I am delighted to welcome you into the Fellows of the Texas Bar Foundation. It's a wonderful organization that has recognized excellence in the profession for fifty-eight years. I hope you are as proud to be a Fellow as we are proud to have you. Your participation strengthens the Foundation and ensures that it will continue to serve the lawyers and the people of Texas for years to come.

Enclosed are some materials that will help you enjoy this special group.

First, we prepared a draft press release for you. Along with the press release, there are instructions and suggestions about how you might use it. Please don't be shy...send those releases. There aren't guarantees that yours will be printed, but if it is, you will enjoy hearing from friends and colleagues who read about you.

We have also included a copy of the Foundation's Impact Report. Please take a moment to read about how our Fellows contribute to our statewide community through our grant process. We think you'll be excited to see how far our reach goes!

Again, congratulations and welcome to the Texas Bar Foundation family. Please call if we can be of assistance to you.

Best Regards,

Baillie Milliken

A Message from your Fellows Chair

Esteemed Fellows,

Thank you for your generous support of the Texas Bar Foundation. I am delighted to be serving you as Chair of the Fellows for the 2023-24 term.

Through the support of all Fellows, including 445 new Fellows, the Foundation last year awarded \$1.5 million in grants to organizations throughout Texas. Those grants were for projects that assist victims of crime, further the administration of justice, and enhance the rule of law. The prospects for the upcoming year are even brighter.

The Fellows are the Foundation's lifeblood - not only because of your financial support, but also through your efforts at recruiting new Fellows, encouraging your colleagues to become Sustaining Life Fellows, and by helping worthwhile charitable organizations to apply for Foundation grants.

Do you know a Texas lawyer who deserves the distinction of being named a Fellow? Please let us know.

Do you work with or know of charitable organizations that have funding needs that meet the Foundation's mission? Please direct them to the GRANTS Tab at www.txbf.org. The Foundation's staff has made the application process as seamless as possible.

Ours is the largest charitably funded bar foundation in the nation. Since its inception, the Foundation has funded over \$25 million in grant requests. With your continued support, we will both grow our endowment and use those funds to help Texans this coming year and for decades beyond.
